Jeffrey Stevens

Jeffrey,

We are all so proud of you not only for your accomplishments in school but for the person you have become. You are a very kind, thoughtful, and fun loving person. You are very “laid back” about basically anything that comes your way, which is a great quality. I know you thought we were too hard on you at times, especially about school, and we were. You see, we always knew how smart you really are and wanted the best possible opportunities for you in the future. Even when there are situations in life that are just unfair to you, you still have that smile telling everyone it's okay while you make them laugh never letting on how really upset you may be inside. When we think about all the things as parents that you could have put us through and didn't, we consider ourselves very proud and lucky to have you for a son.

You are also the best brother a sister could have. You are always watching out for Chrissy and making sure she is doing okay at college and spending time with her when she is home. It's nice to know that you two are there for each other. We wanted to thank you for that.

We wish you health, happiness, and success in your future. You deserve it! Again, don't ever forget how proud we are of you, how much you are loved. We are very grateful and honored to have you for a son. Always remember that we are always here for you through good times and bad times.

Love Ya Lots,
Dad, Mom, & Chrissy

Bonnie

Crehan

Bonnie, your senior year is finally here and you have truly grown into a beautiful young woman, like the meaning of your name, beautiful and bright. When you were a little girl you were so shy and timid and now you are ready and eager to take your place in the world and create your own destiny. Although you were the middle child there is no overlooking you and your achievements for which you have worked so hard. You stand out and live with purpose and passion but never forget compassion and the true meaning of friendship. Continue on your path and live your life with conviction, faith and honor. We are so proud to call you our daughter and sister.

How do you do so much in so
little time? Leanna Olbinsky

She's awesome! Matt Kennis

Thank you for all
your help this year.

People don't
realize the amount
of work you do to
make senior year
special for us all.
You made being
President an
enjoyable
experience!
Brian Myette

Sonya is always thinking of how to make senior year a
memorable event for each new graduating class. The students
are so lucky to have such a hard working advisor

Mrs. Caldarone and Mrs. Grow

She went from organizing a camping trip I went on with her and
her family, before I entered high school to organizing a trip to
Disney during my senior year. Mrs. Lomax is a wonderful woman
and I would like to thank her for everything she has done!

Liz Dunlop

Thanks in part
to you, I really
enjoyed my
senior year!
Nick Clinton

I'm on student council
and she is the best
advisor we ever had.

We've gotten a lot
done. Erica Goodman

You always make me smile!
Kelsey White

It is unfathomable how
much work is done
behind the scenes to
help make senior year
memorable; we
sincerely appreciate it!
Lauren Flockton

I have enjoyed the last
two years in your class.

You are a very hard
worker and a great role
model!

Danielle Connolly

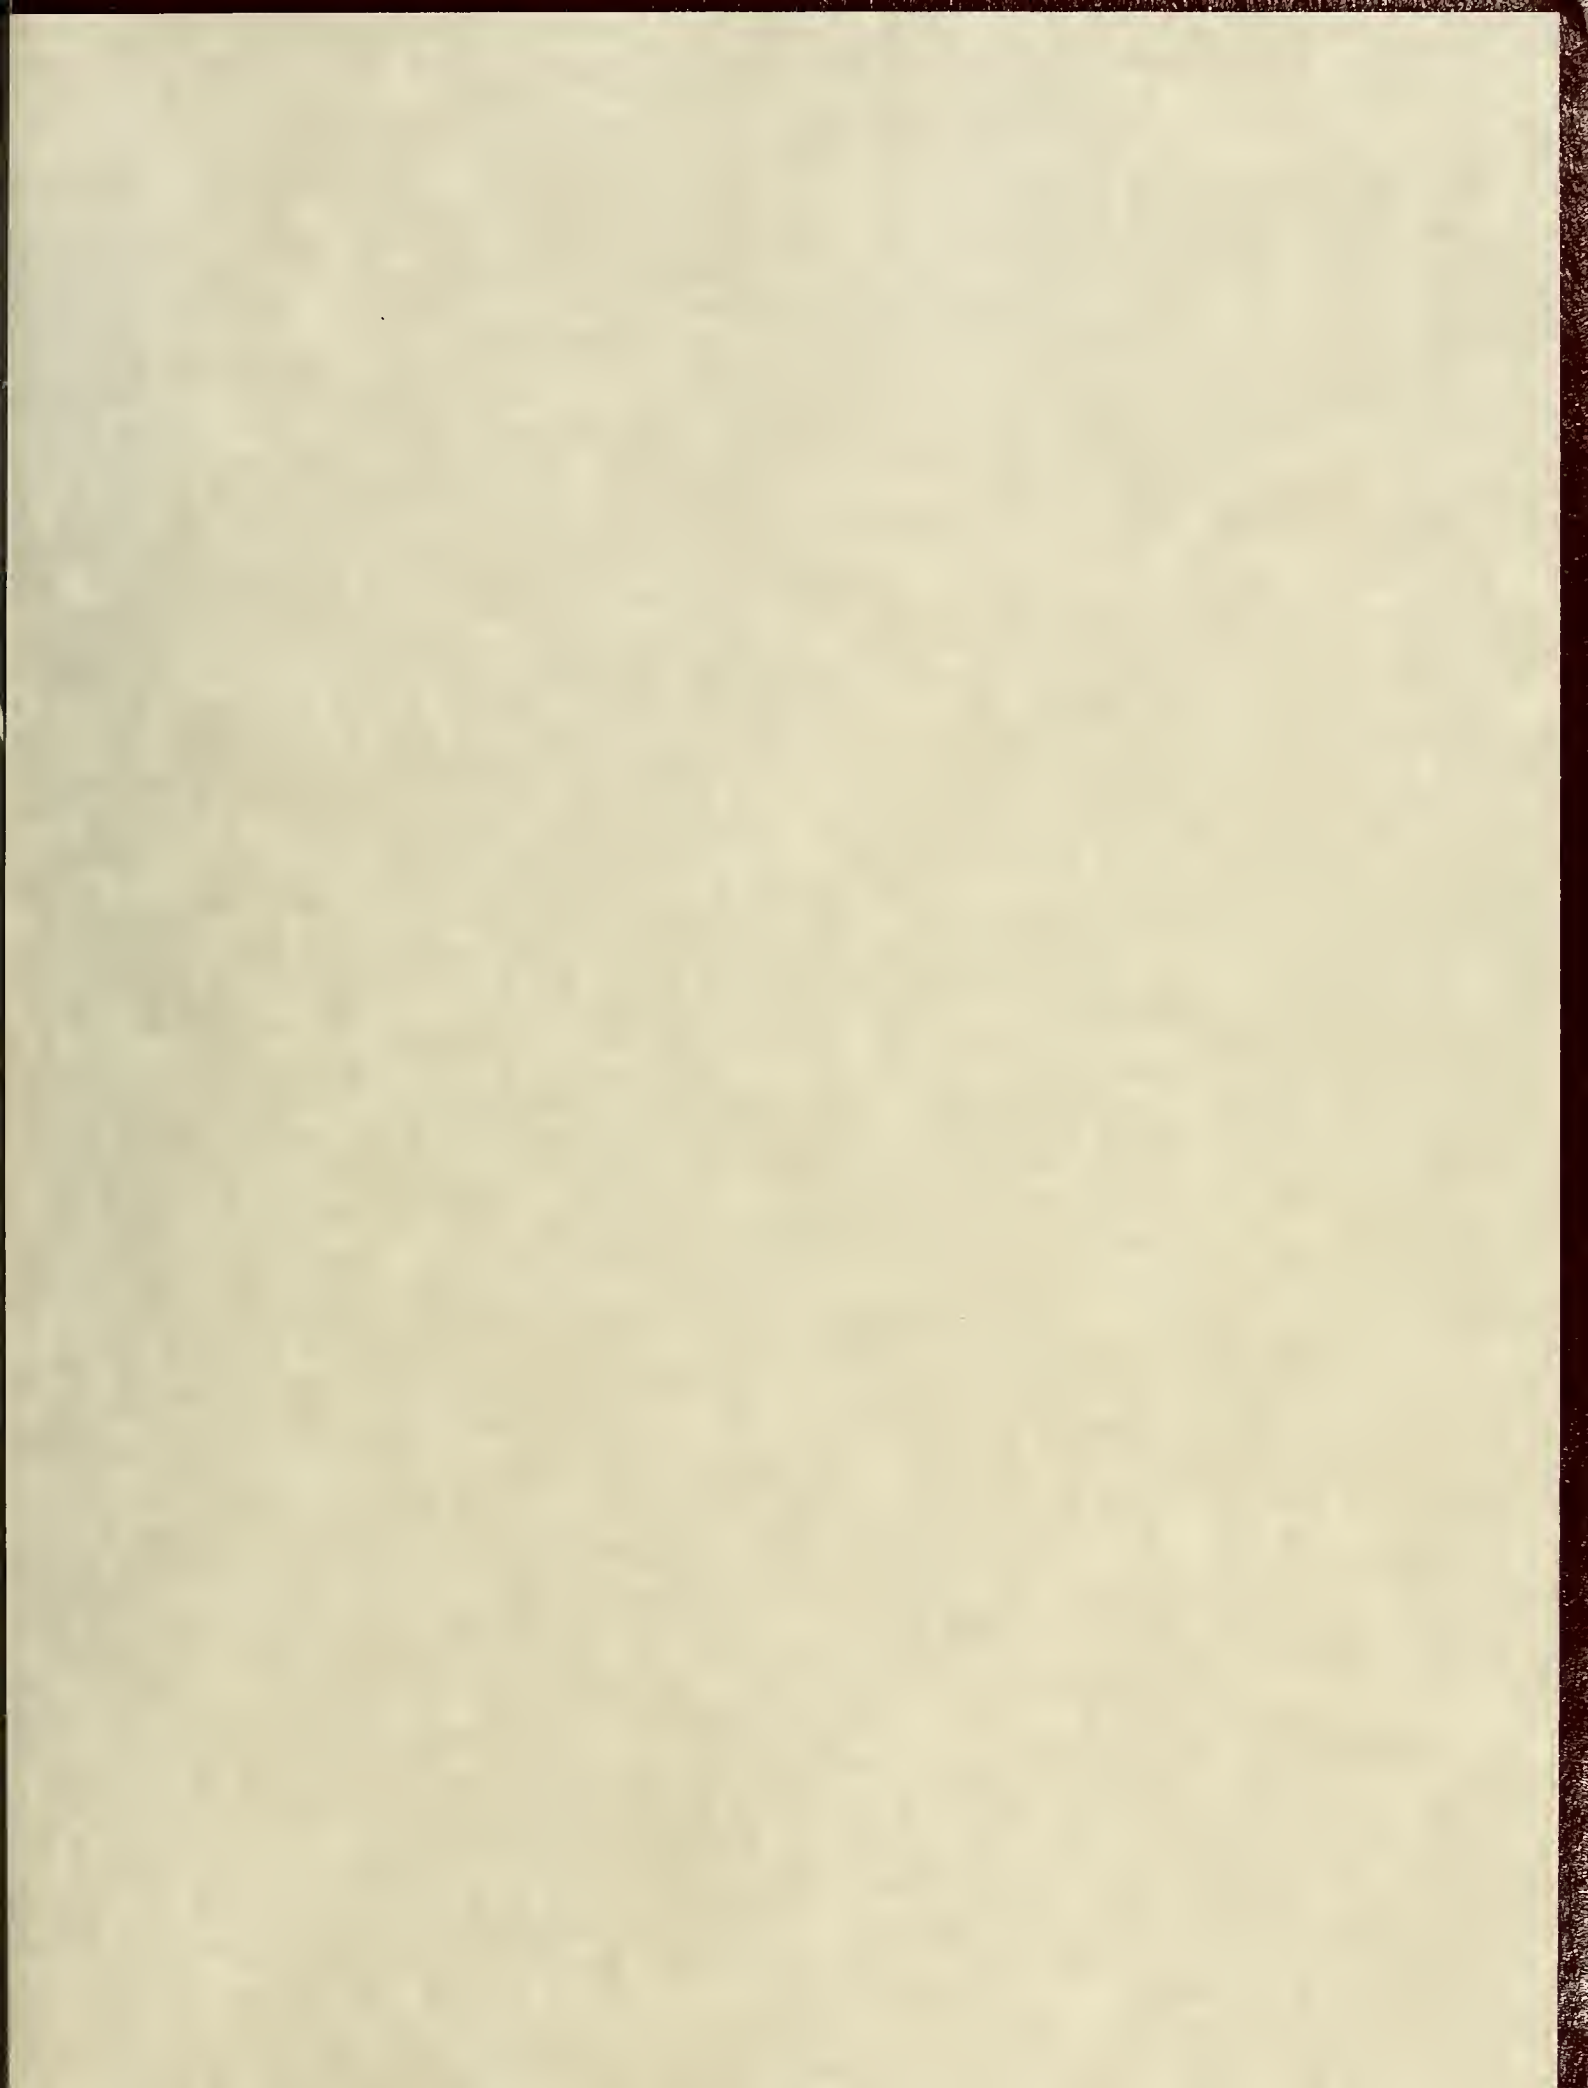

She came to keep me company for a few hours
on the Avon Walk and ended up walking 30
miles to support me because I hurt my foot.

That is the kind of person she is!

Pam Borgeson, Yearbook Advisor

Great turtlenecks!
Connor Murphy

That lady's awesome!
